Have you a son or a daughter that you are thinking of sending away to school? Be sure to select a LEXINGTON, Ky., Sept. 26.-J. R. good school. This is universal ad-Waiters aged 62, was found dead on vice. One advice is to select the the Winchester pike Tuesday night at best place. Some of the best schools 10 o'clock. The State W. C. T. U. will are located where the most evil influences abound. Fill your boy's the last three days of this week, be head with knowledge and neglect his moral culture and what have you? If you think much of your Tired w-men need to have their blood boy's future, you will consider these purified and enriched by Hood's Sarsapa-things. In selecting a school for illa. It will give them strength and him, be sure that you do not send him. to one of those large towns, where

pains and possibly saved us from an on- While his parents have made surritimely grave. We would not rest easy fices to keep him in school, the boy, over night without it in the house " This not realizing the importance of time emedy undoubtedly saves more pain and goes on, heedless of his mother's aduttering than any other medicine in the vice, to ruin. And you have an edor later. For sale by Hagan's Pharmacy moral element throughout the neighborhood, we have the advantage over any other school.

Society. Your girl wants association that will be elevating and uplifting. Your boy wants association that has refining influence. Kirks-Pure Old Whiskies for Family and Medi ville is free from the evils of card playing, etc. Not all towns are thus

Expenses. Send your boy to large towns and there are numerus calls upon him for money. And while there are some benefits to be lerived, there are tenfold more evils with which he must contend. Hospitality. The hospitality at

ious to love a prosperous school in their midst. No voy, no girl can afford to go to any other school in preference to

There are a great many points to be considered before entering school: 1. The studies embraced in the curriculum. We carry five courses of study; a Scientific, b Classic, c. Commercial, d Normal, e Music. Open Board of Trade Bldg., Chicago, III. Send for our catalogue that you may see the studies embraced in each course. We will be glad to send you one.

2. The Teacher's Ability to Teach. Our faculty is made up of four teachers, each, a specialist in his line. We are prepared to do good work. We know that you I will rent privately the warehouse and will be satisfied at our school, and coal yard near the K. C. R. R. Station. that you will like our teachers. This property of the kind in Richmond. The will testify to the truthfulness of this

3. Location of School. A great many people want to go to school in a large town, so as to get the benefit of the town. We have seen these towns have more evil influences than good ones. Whisky, balls, corrupt. society, evil games, etc., often ruin young men while at school in these large towns. None of these evils prevail in Kirksville. We have good society, four churches and a good

4. Healthfulness of the locality and third and fourth hand and is found the 20th day of November, 1895, or same that the healthfulness of Kirksville and vicinity cannot be surpassed 5. Cost. This is a very important consideration. Board, \$2.75 per

week. Tuition \$1 per week. Send for catalogue for further in-WHITTY WALDROP, Prin. Kirksville, Ky:
